

Honoring a Great Lady

President **Matthew Surrency**
Mayor, City of Hawthorne

I want to recognize the former mayor of **Miramar, Lori Moseley**. Her term as president of the Florida League of Cities was cut short when she was not reelected as mayor. She had been mayor for the past 16 years and was serving as the 92nd president of the League.

I have been fortunate to personally get to know Lori and her family through the work we do on behalf of our citizens. Otherwise, our paths probably would never have crossed.

Rising up from the ranks as second to first vice president of the League, I had the opportunity to learn from two excellent teachers – Lori and **Pensacola Councilman P.C. Wu**, who served as president last year.

As I stated during Legislative Action Days in **Tallahassee** following Miramar’s election, Lori Moseley has been like the starting pitcher in a baseball game. Although Lori had to step down as League president, she has taken us to the seven-inning stretch. The challenge for us? To not blow the “save” opportunity.

We will continue the initiative of “**Engaging Millennials**” that was her presidential priority. The future of not only our cities, but of our country and world rests in the hands of today’s millennials.

I am forever grateful for the friendship we have developed and the mentoring former Mayor Moseley has provided. She – and all of the **Broward League of Cities** – hold a special place in my heart.

We wish her the best as she enters through the door that God will open for her to continue her passion as a public servant. This is not goodbye, but until next time, my friend!

From **Past President Lori Moseley**:

It has been a pleasure serving and working with you at the Florida League of Cities and

Florida League of Mayors. Together, we have accomplished much and have watched the State of Florida, our counties and our municipalities grow in many positive ways.

As of March 23, 2015, I am no longer the mayor of the **City of Miramar**. I proudly hold my head up high as I reflect on how much the City of Miramar has grown during my tenure.

I am also proud of the friendships I have made during my 20-year journey and wish the best for all of you as you continue to work for what is best for all.

You will all be missed, but, never forgotten.

Warmest Regards,

Lori Moseley
