- Utility Maintenance & Upgrades
- Parks & Recreation
- Economic Development (Broadband)

Euna Grants

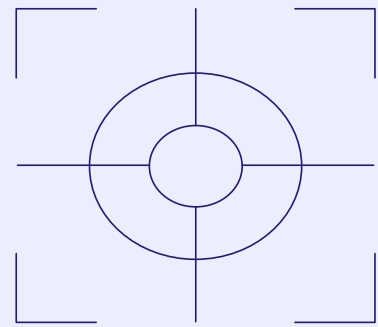

Importance of Partnerships

- Stronger Application
- Potential Matching Funds Access
- Any Cons to Partners?

Getting Prepared

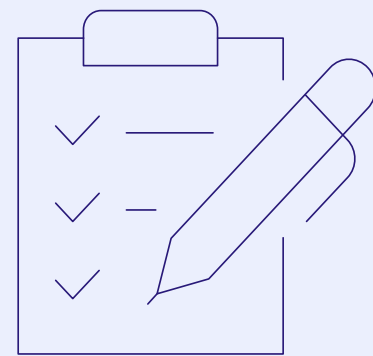

Strategic Plans and Needs Assessments

Strategic Plan

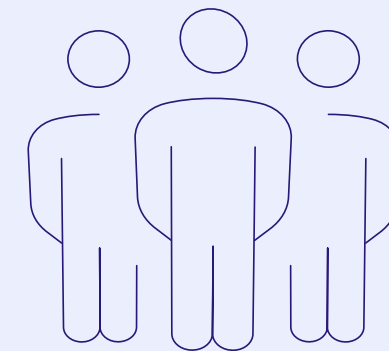

How can grants positively impacting your mission and the citizens you serve?

Prioritize Needs

What gaps do you need to fill today, tomorrow, and in the future?

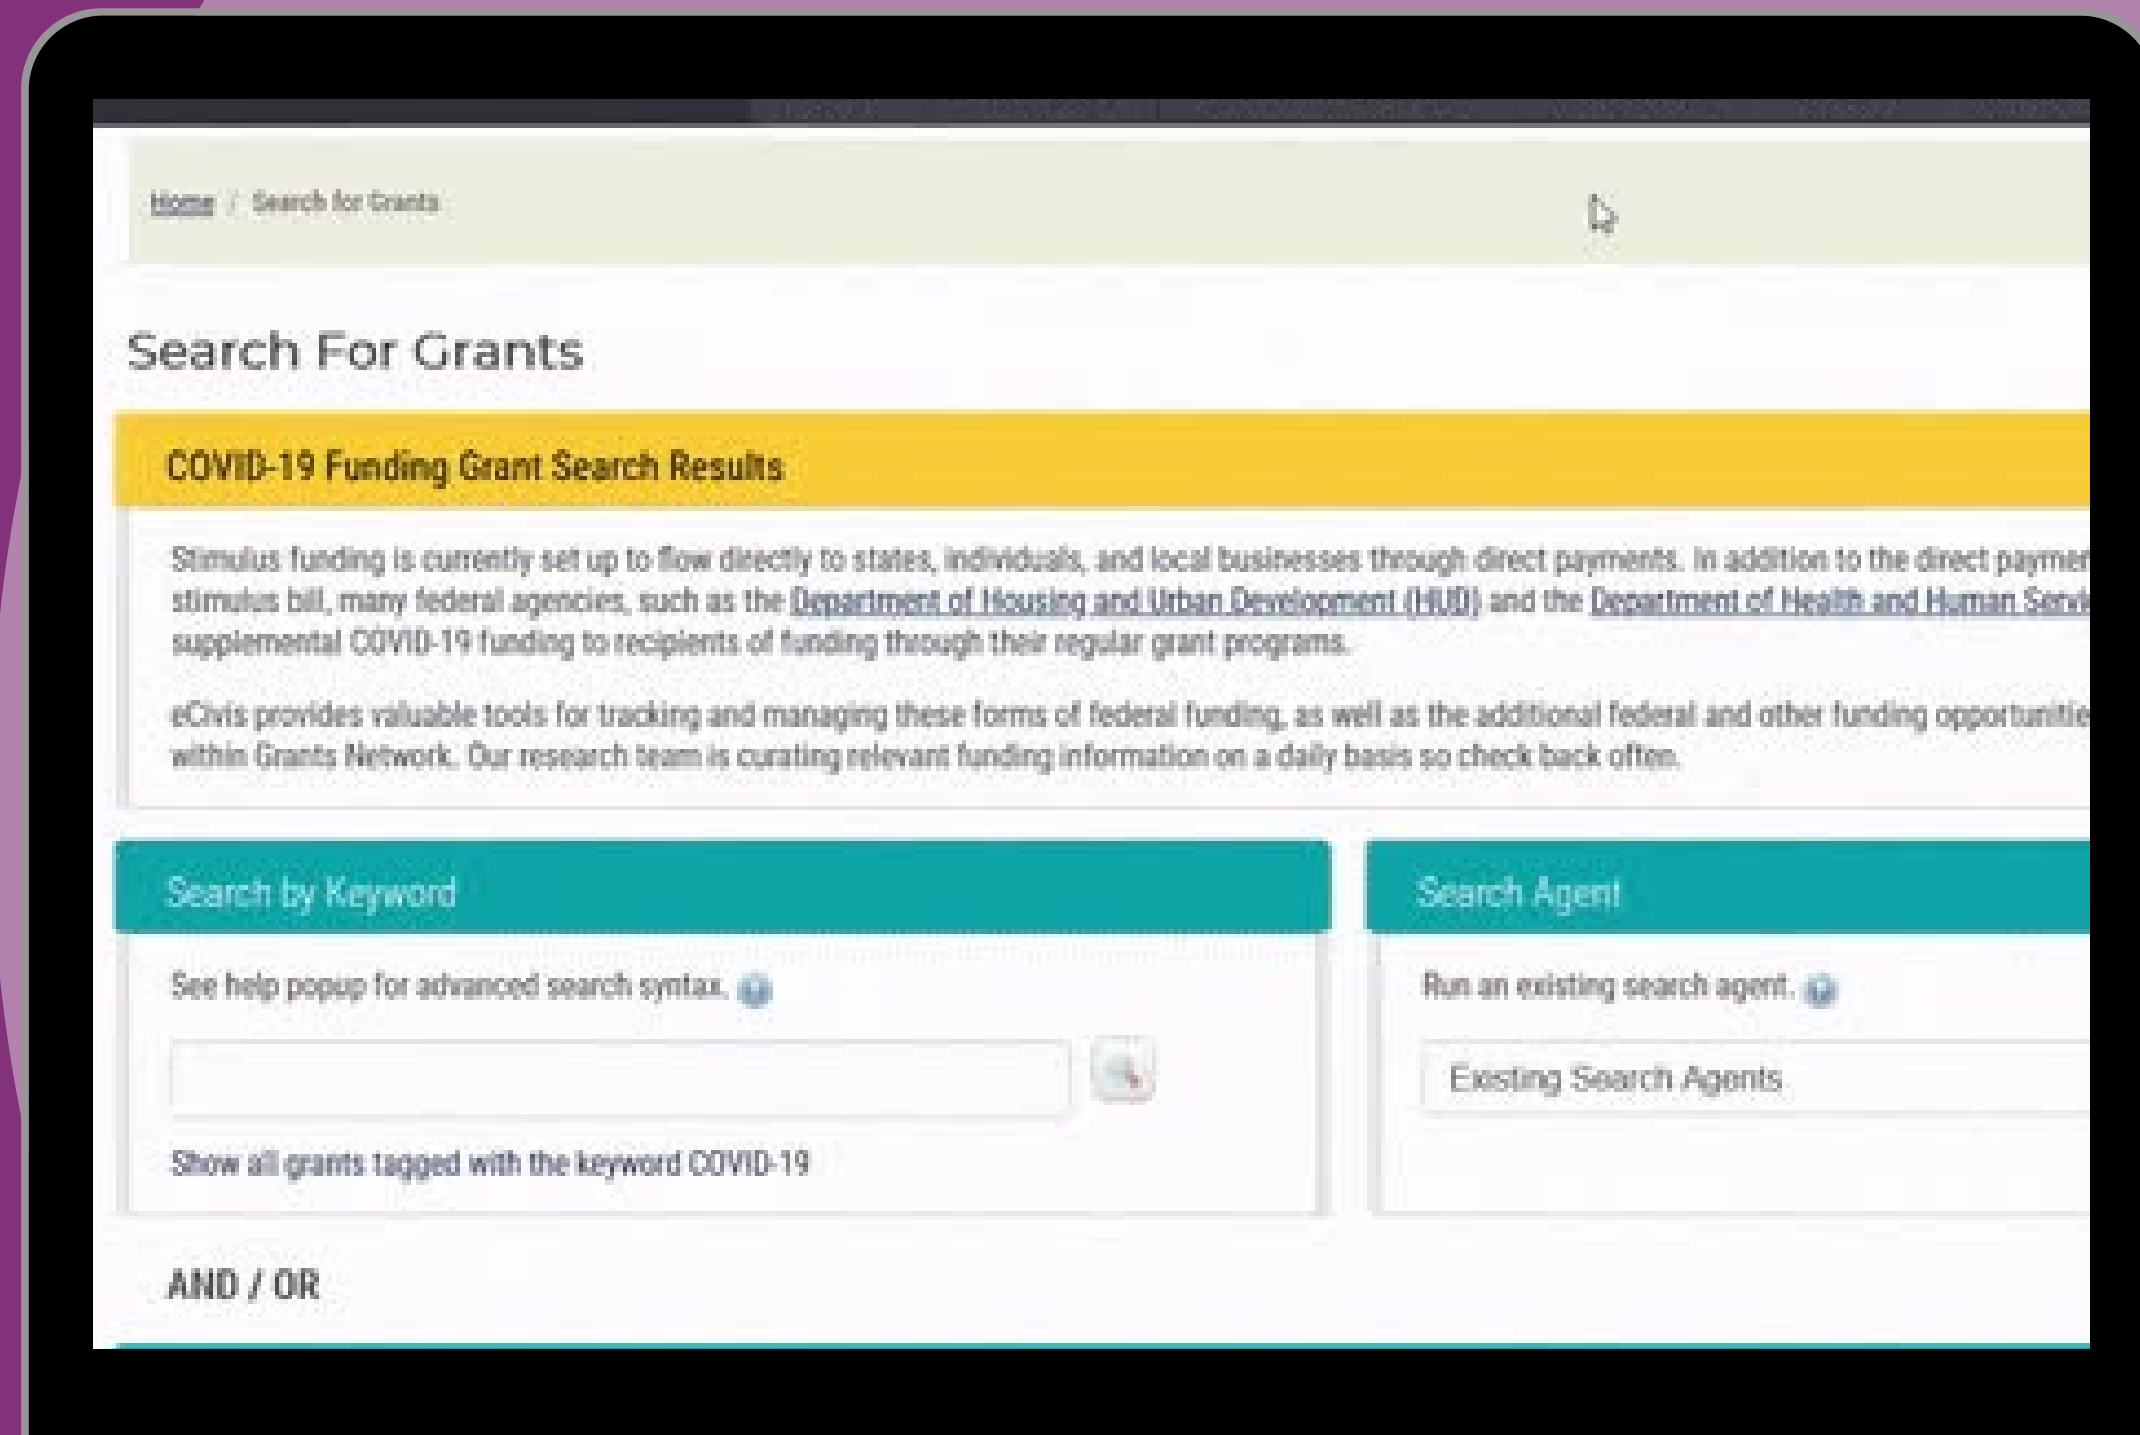

Support Plan

Who will do the work?

Processes For Searching

- **Search Grants Network** of over 10,000 grant opportunities
- **Set-up Email Notifications** for search agents
- **Insights Tab** with Data Tool
- **Resource and Training Sections**

Preparing Your Submission

- **You Can Do It!**
- **Assistance is Available** (agency or Partners)
- **Previously Funded Applications**
- **Things To Remember** (Don't wait until the deadline)

The dashboard is divided into four main sections: Research, Tracking & Reporting, Insight, and Enterprise Reporting.

Research: Find Grants

Tracking & Reporting: Manage Grants

Insight: Best Practices and More

Enterprise Reporting: Data and BI Intelligence

Yes! You're Awarded – What Now?

- Staffing vs. Consultants
- Financial Management
- Compliance / Reporting the Work

Grant Assistance Program Webinar

Join Us!

September 24th
2:00 PM EST

The Florida League of Cities has invested in the Grants Assistance Program with Euna Solutions to provide member cities with grant research and training opportunities, and valuable cost savings for assistance with application writing and grant management. The webinar will cover a high-level overview of the Grants Assistance Program and a demo on registering, log in, and using the system.

Speakers

- Katie Faithe, Customer Success Manager, Euna Solutions
- Chris Holley, Director of Member Services + Training, Florida League of Cities
